

COMPANY BACKGROUND

Imphokompelo started in 2012, in 2019 the organization streamlined its operations to focus on logistics transportation of goods as its core business.

We are 100% Black-owned and operated with a majority black female leadership team. We have a fleet of five horses and trailers including taut liners, flatbed and side tippers.

COMPANY VISION

Our vision is to grow partnerships and trust with all stakeholders that engage with Imphokompelo, our main differentiator being trust.

We plan to grow our fleet and presence in all regions of South Africa, and the SADC region. We want to connect South Africa with all its cities and all neighboring countries. Through timely delivery of goods, we want to enhance how the world is connected.
